Questions to ask before approving

- ☐ Can you accept the file at 100% scale without auto-scaling or cropping?
- ☐ What exact pixel dimensions do you require for this product?
- ☐ Will you provide a proof or a sample before the full run?
- ☐ Do you convert RGB to CMYK, and with which profile?
- ☐ What is the reprint policy if colours or trimming differ from the proof?

Tip: record the quote date and the person you spoke to. Prices and lead times change.
